Month of PRAYER for Indoor Park

Please pray for our outreach ministry of Indoor Park during the month of October. Indoor Park begins the first Thursday and Friday of January after the Boise Schools' Christmas break, and ends just before Spring Break.

If Indoor Park is to continue, it will be necessary this year to nearly double our volunteer base, so that we can handle times when regular volunteers cannot be there (i.e. illness, appointments). In order for us to provide an effective program we need the following number of volunteers:

- 6 Set up of the toys
- 6 Take down of the toys
- 4 Registration desk (2 for each day)
- 2 Floor staff to walk around & visit with the mothers
- 1 Substitute for Merrily Weidner (Merrily will be responsible for leading story and song only this year and won't be at Indoor Park at other times)
- 5 Substitutes (you may or may not be called to work)
- 1 Assistant Coordinator

Strengthening the base of volunteers is important and this would be the largest volunteer base we've had for Indoor Park in a long time.

Thank you for committing to pray during October for our Indoor Park outreach ministry.

Sally Unrau,
2019 Indoor Park Coordinator
